

It is a fundamental booking condition that you accept the hazards involved in visiting remote areas and engaging in potentially dangerous activities. To take part in one of our tours, you must be covered by adequate insurance for the duration of the tour and for the activities undertaken. The insurance must cover for cancellation and curtailment, medical and emergency expenses (including repatriation), personal accident, injury and death. In addition you should be insured against loss of/damage to baggage, personal possessions and flight cancellations/delays.

Northshots does not accept liability for death, bodily injury or illness unless this arises from the negligent act and/or omission of Northshots employees during the course of their employment. Northshots and its employees are covered by worldwide public liability insurance up to a maximum of £2,500,000 in any one event. By signing our booking form you acknowledge that Northshots has taken all reasonable steps to safeguard its liability in this respect.
